You need to tell the Board – Eric should be there and speak. Allen Johnson should too especially since he's part of the new development. Please send out an e-mail urging them to come...

It might be a tough sell and I'm not sure what this commission will do and I'm not sure if PBID can stand alone without the Port....

Augie,

I will be there. I don't really want to discuss this at the board meeting tomorrow because Bruce Ecker will most likely be there.

Thank you.

Hi Lorena,

This caught me by surprise and I believe that it's very important that you come to this meeting and speak at Public Comment. Eric should be there too along with as many board members as possible.

Elise – perhaps you should speak also?

Thanks,
Augie
